FAKULTAS KEPERAWATAN/FACULTY OF NURSING

Program Studi : S1 Keperawatan - Profesi Ners

Study Program: Bachelor of Nursing – Nurse Professional Program

FAKULTAS KEPERAWATAN

KEPERAWATAN ADALAH SUATU KARIR INTERNASIONAL

“Program Studi Keperawatan dan Program Studi Pendidikan Profesi Ners, membantu mahasiswa menjadi perawat yang berilmu, berakhlak, dan terampil dalam pelayanan keperawatan berbasis teknologi”

Globalisasi berdampak pada pelayanan kesehatan, yang didukung oleh kemajuan perkembangan teknologi yang pesat melalui penggunaan sistem informasi berbasis *artificial intelligence* yang menyebabkan semakin mudah dan efisiennya pelayanan kesehatan di seluruh dunia. Di era digital saat ini perawat dituntut untuk memiliki kemampuan kognitif, afektif dan psikomotor yang baik terutama dalam hal teknologi informasi, untuk dapat merawat pasien secara holistik yang meliputi bio-psiko-sosio-spiritual dan kultural yang terintegrasi melalui tindakan keperawatan yang diberikan.

Program Studi Keperawatan dan Program Studi Pendidikan Profesi Ners menghasilkan Sarjana Keperawatan Ners (S.Kep.Ns) yang mampu dan terampil dalam melaksanakan pelayanan keperawatan yang berstandar internasional.

AKREDITASI

Fakultas Keperawatan telah beroperasi sejak tanggal 6 September 2006 dengan SK Dirjen Dikti Departemen Pendidikan Nasional No. 3365/D/T/2006 tanggal 04 September 2006. Pada tahun 2025 Fakultas Keperawatan telah mengajukan re-akreditasi dan telah memperoleh hasil akreditasi sebagai berikut, pada Program Studi Keperawatan terakreditasi “Unggul” dengan SK LAM PT-Kes No. 0984/LAM-PTKes/Akr/Sar/XI/2025, sedangkan pada Program Studi Pendidikan Profesi Ners juga terakreditasi “Unggul” dengan SK LAM PT-Kes No. 0985/LAM-PTKes/Akr/Pro/II/2025. Kedua keputusan tersebut tertanggal 29 November 2025 hingga 28 November 2029. Pada tahun 2026 ini Fakultas Keperawatan telah beroperasi selama 20 tahun.

VISI DAN MISI FAKULTAS KEPERAWATAN

VISI

Terbentuknya lulusan yang inovatif, kreatif, kompetitif dan reflektif, yang berdampak positif bagi masyarakat di era global, dalam pengembangan ilmu dan pelayanan keperawatan secara komprehensif terutama pada keperawatan paliatif yang dilandasi pelayanan cinta kasih, dalam kurun waktu tahun 2017-2027.

MISI

- Mengembangkan pendidikan keperawatan, penelitian dan pengabdian kepada masyarakat, yang berorientasi pada pelayanan keperawatan yang komprehensif terutama keperawatan paliatif secara berkesinambungan.
- Mengembangkan sistem manajemen fakultas keperawatan untuk mencapai standar mutu internal dan eksternal.
- Mengembangkan jaringan kerja sama dengan lembaga-lembaga nasional dan internasional dalam pendidikan, penelitian dan pengabdian kepada masyarakat.

TUJUAN FAKULTAS

- Menghasilkan lulusan yang inovatif, kreatif, kompetitif dan reflektif terutama dalam bidang keperawatan paliatif, yang memberikan dampak positif bagi masyarakat di era global.
- Menghasilkan sistem manajemen fakultas keperawatan yang efektif dan efisien secara berkesinambungan.
- Menghasilkan jejaring kerjasama yang luas secara nasional maupun internasional dalam bidang keperawatan, mencakup bidang pendidikan, penelitian dan pengabdian kepada masyarakat.

FACULTY OF NURSING

NURSING IS AN INTERNATIONAL CAREER

"The Bachelor of Nursing Program and the Professional Nursing Education Program assist students in becoming knowledgeable, ethical, and skilled nurses in technology-based nursing services."

Globalizations impacts healthcare services, supported by rapid advancements in technology through the use of artificial intelligence-based information systems, making healthcare services worldwide easier and more efficient. In today's digital era, nurses are required to possess strong cognitive, affective, and psychomotor skills—particularly in information technology—to deliver holistic care integrating bio-psycho-socio-spiritual and cultural dimensions through nursing interventions.

The Bachelor of Nursing Program and the Professional Nursing Education Program produce Bachelor of Nursing, Registered Nurse graduates (*S.Kep., Ns.*) who are capable and skilled in delivering nursing care that meets international standards.

ACCREDITATION

The Faculty of Nursing has been operating since September 6, 2006, under the Decree of the Director General of Higher Education, Ministry of National Education No. 3365/D/T/2006 dated September 4, 2006. In 2025, the Faculty of Nursing submitted a re-accreditation application and achieved the following accreditation status: the Bachelor of Nursing Program received an **"Unggul" (Excellent)** accreditation status under LAM PT-Kes Decree No. 0984/LAM-PTKes/Akr/Sar/XI/2025, while the Professional Nursing Education Program also received an **"Unggul" (Excellent)** accreditation status under LAM PT-Kes Decree No. 0985/LAM-PTKes/Akr/Pro/II/2025. Both decisions are effective from November 29, 2025, through November 28, 2029. As of 2026, the Faculty of Nursing has been operating for 20 years.

VISION AND MISSION OF THE FACULTY OF NURSING

VISION

To form innovative, creative, competitive, and reflective graduates who make a positive impact on society in the global era through the comprehensive development of nursing science and services, particularly in palliative care rooted in compassionate service, for the period 2017–2027.

MISSION

- To develop nursing education, research, and community service continuously oriented toward comprehensive nursing care, with an emphasis on palliative care.
- To develop management systems within the faculty of nursing to meet internal and external quality standards.
- To develop collaborative networks with national and international institutions in education, research, and community service.

FACULTY OBJECTIVES

- To produce innovative, creative, competitive, and reflective graduates—especially in palliative care—who create a positive impact on society in the global era.
- To establish effective and efficient faculty management systems on a continuous basis.
- To build extensive national and international collaborative networks in nursing, encompassing education, research, and community service.

VISI DAN MISI PROGRAM STUDI KEPERAWATAN

VISI:

Sebagai penyelenggara pendidikan keperawatan yang unggul dalam mengembangkan ilmu keperawatan berdasarkan tren dan isu terutama keperawatan paliatif, serta mampu bersaing secara nasional maupun internasional dengan semangat pelayanan cinta kasih dalam kurun waktu tahun 2017-2027.

MISI:

- Menyelenggarakan pendidikan keperawatan yang unggul dan berdaya saing terutama dalam bidang keperawatan paliatif.
- Menyelenggarakan penelitian berdasarkan tren dan isu keperawatan di era global, untuk mengembangkan ilmu keperawatan, terutama keperawatan paliatif.
- Menyelenggarakan dan mengembangkan pengabdian kepada masyarakat, berdasarkan kebutuhan masyarakat dan hasil penelitian terutama keperawatan paliatif, dalam upaya memberdayakan masyarakat untuk mencapai derajat kesehatan yang optimal.

TUJUAN PROGRAM STUDI KEPERAWATAN

- Menghasilkan lulusan yang unggul dan berdayasaing, serta mampu mengembangkan ilmu keperawatan berdasarkan tren dan isu terutama dalam bidang keperawatan paliatif.
- Menghasilkan lulusan yang mampu melaksanakan penelitian keperawatan secara mandiri maupun kolaborasi, berdasarkan tren dan isu keperawatan di era global terutama keperawatan paliatif.
- Menghasilkan lulusan yang mampu memberdayakan masyarakat melalui kegiatan pengabdian kepada masyarakat berdasarkan kebutuhan dan peka budaya terutama pada keperawatan paliatif.

VISI DAN MISI PROGRAM STUDI PENDIDIKAN PROFESI NERS

VISI

Sebagai penyelenggara pendidikan profesi keperawatan yang berkualitas dalam mengembangkan praktik keperawatan yang holistik dan komprehensif, terutama keperawatan paliatif serta mampu bersaing di era global dengan semangat pelayanan cinta kasih dalam kurun waktu tahun 2017 – 2027.

MISI

- Menyelenggarakan pendidikan profesi keperawatan yang berkualitas dan profesional terutama dalam bidang keperawatan paliatif.
- Menyelenggarakan praktik keperawatan di tatanan nyata klinik dan lapangan, untuk memberikan asuhan keperawatan yang berkualitas, terutama keperawatan paliatif.
- Menyelenggarakan dan mengembangkan pengabdian kepada masyarakat berdasarkan kebutuhan dalam upaya memberdayakan masyarakat untuk mencapai derajat kesehatan yang optimal.
- Mengembangkan jejaring dan peran alumni dalam pelaksanaan Tridharma Perguruan Tinggi.

TUJUAN PROGRAM STUDI

- Menghasilkan lulusan yang berkualitas dan profesional, serta mampu melaksanakan pelayanan keperawatan meliputi upaya promotif, preventif, kuratif, rehabilitatif, dan paliatif menuju peningkatan kualitas hidup manusia yang optimal.
- Menghasilkan lulusan yang mampu memberdayakan masyarakat melalui kegiatan pengabdian kepada masyarakat berdasarkan kebutuhan dan peka budaya terutama pada keperawatan paliatif.
- Menghasilkan lulusan yang memiliki jejaring alumni yang kuat dalam pelaksanaan tridharma perguruan tinggi.

PROGRAM PENDIDIKAN

Fakultas Keperawatan Universitas Katolik Widya Mandala Surabaya menyelenggarakan program pendidikan yang terdiri dari:

1. **Program Studi Keperawatan**, untuk mendapatkan gelar sarjana (S.Kep). Besar beban studi sebesar 147 sks yang ditempuh selama 8 semester.

VISION AND MISSION OF THE BACHELOR OF NURSING PROGRAM

VISION

To be a provider of nursing education that excels in developing nursing science based on emerging trends and issues, particularly in palliative care, and is capable of competing nationally and internationally with a spirit of compassionate service during 2017–2027.

MISSION

- To provide excellent and competitive nursing education, particularly in the field of palliative care.
- To conduct research based on nursing trends and issues in the global era to advance nursing science, with a focus on palliative care.
- To carry out and expand community service based on community needs and research findings, particularly in palliative care, to empower communities to achieve optimal health levels.

OBJECTIVES OF THE BACHELOR OF NURSING PROGRAM

- To produce excellent and competitive graduates capable of advancing nursing science based on emerging trends and issues, particularly in palliative care.
- To produce graduates capable of conducting independent and collaborative nursing research based on global trends and issues, particularly in palliative care.
- To produce graduates capable of empowering communities through culturally sensitive, needs-based community service activities, particularly in palliative care.

VISION AND MISSION OF THE PROFESSIONAL NURSING EDUCATION PROGRAM

VISION

To be a provider of quality professional nursing education that develops holistic and comprehensive nursing practice, particularly in palliative care, and is capable of competing globally with a spirit of compassionate service during 2017–2027.

MISSION

- To provide high-quality and professional nursing education, particularly in palliative care.
- To conduct nursing practice in real clinical and field settings to deliver high-quality nursing care, particularly in palliative care.
- To organize and develop needs-based community service initiatives to empower communities toward optimal health levels.
- To strengthen alumni networks and active alumni involvement in implementing the Higher Education Tri-Dharma (Education, Research, and Community Service).

OBJECTIVES OF THE PROFESSIONAL PROGRAM

- To produce high-quality, professional graduates capable of providing nursing care that includes promotive, preventive, curative, rehabilitative, and palliative efforts toward an optimal quality of human life.
- To produce graduates capable of empowering communities through culturally sensitive, needs-based community service activities, particularly in palliative care.
- To produce graduates supported by a strong alumni network in executing the Higher Education Tri-Dharma.

ACADEMIC PROGRAMS

The Faculty of Nursing at Widya Mandala Catholic University Surabaya offers academic programs consisting of:

1. **Bachelor of Nursing Program:** Leads to a Bachelor of Nursing degree (*S.Kep*). Total workload: 147 credit units (SKS) completed over 8 semesters.

2. **Program Pendidikan Profesi Ners**, untuk mendapatkan gelar Ners (Ns), yang wajib ditempuh setelah lulus program akademik/ Sarjana Keperawatan (S.Kep). Beban studi 36 sks ditempuh selama 2 semester, dalam bentuk praktik secara komprehensif dan profesional di rumah sakit, puskesmas dan di komunitas.

PROFIL LULUSAN

Profil Lulusan

Lulusan Fakultas Keperawatan UKWMS mampu menerapkan pengetahuan dan keterampilan dengan semangat pelayanan cinta kasih yang berlandaskan nilai peduli, komit dan antusias yang diperoleh dari program pendidikannya untuk kehidupan yaitu:

- a. **Profil Lulusan 1 Sebagai Care Provider**

Mampu mengelola asuhan keperawatan profesional, holistik dan komprehensif secara umum di bidang keperawatan medikal, bedah, anak, maternitas, gawat darurat & kritis, jiwa, manajemen, gerontik, komunitas, keluarga, dan secara khusus bidang keperawatan paliatif di bawah tanggungjawabnya, bagi individu, keluarga, kelompok, masyarakat, dengan memanfaatkan IPTEKS keperawatan berbasis digitalisasi di fasilitas pelayanan kesehatan yang meliputi rumah sakit, puskesmas, komunitas, klinik sesuai standar dan kode etik keperawatan.

- b. **Profil Lulusan 2 Sebagai Communicator**

Mampu menerapkan komunikasi efektif pada individu, keluarga, kelompok, masyarakat, sejawat serta tim kesehatan lain dalam upaya mencapai kesejahteraan dan taraf kesehatan yang optimal bagi masyarakat luas.

- c. **Profil Lulusan 3 Sebagai Health Educator dan Promotor**

Mampu menerapkan edukasi dan promosi kesehatan dalam upaya meningkatkan keterlibatan individu, keluarga, kelompok dan masyarakat untuk mencapai kemandirian dalam perawatan kesehatan.

- d. **Profil Lulusan 4 Sebagai Manager dan Leader**

Mampu menerapkan pengelolaan dan pengorganisasian asuhan keperawatan profesional, holistik dan komprehensif bagi individu, keluarga, kelompok dan masyarakat di bawah tanggungjawabnya, sesuai dengan standar pelayanan keperawatan.

- e. **Profil Lulusan 5 Sebagai Researcher**

Mampu menerapkan pengembangan bidang ilmu keperawatan menuju *nursepreneurship* yang mengarah pada *society 5.0* secara inovatif, kreatif, dan kompetitif, sehingga dapat berdampak positif bagi masyarakat di era global.

- f. **Profil Lulusan 6 Sebagai Reflective Educator**

Mampu melaksanakan refleksi dalam rangka pengembangan diri secara berkesinambungan dari segi kognitif, afektif, dan psikomotor untuk melaksanakan asuhan keperawatan terkini, yang dijiwai dengan semangat peduli, komit dan antusias

CAPAIAN PEMBELAJARAN LULUSAN (CPL)

Capaian Pembelajaran Lulusan (CPL) Prodi Keperawatan Jenjang Program Sarjana

- a. **CPL 1**

Mampu menjelaskan teoretis ilmu keperawatan dasar dan penunjang yang mendukung pelaksanaan asuhan keperawatan profesional.

- b. **CPL 2**

Mampu melaksanakan asuhan keperawatan profesional, holistik dan komprehensif yang berdampak positif bagi individu, keluarga, kelompok, masyarakat secara umum di bidang keperawatan medikal, bedah, anak, maternitas, gawat darurat & kritis, jiwa, manajemen, gerontik, komunitas, keluarga dan khususnya pada keperawatan paliatif sesuai standar dan kode etik keperawatan dengan berpikir kritis, logis, sistematis dan peka budaya.

- c. **CPL 3**

Mampu melakukan komunikasi, edukasi dan promosi kesehatan sebagai upaya meningkatkan kemandirian dan keterlibatan individu, keluarga, kelompok dan masyarakat dalam perawatan kesehatan.

2. **Professional Nursing Education Program:** Leads to a Registered Nurse degree (Ns.), mandatory after completing the academic/Bachelor of Nursing degree. Total workload: 36 credit units (SKS) completed over 2 semesters through comprehensive, professional clinical practice in hospitals, public health centers, and community settings.

GRADUATE PROFILE

Graduates of the Faculty of Nursing at UKWMS are equipped to apply knowledge and skills acquired through their education to daily life with a spirit of compassionate service grounded in core values of care, commitment, and enthusiasm:

- a. **Profile 1: Care Provider**

Capable of managing professional, holistic, and comprehensive nursing care across general fields (Medical-Surgical, Pediatric, Maternity, Emergency & Critical Care, Psychiatric, Nursing Management, Gerontological, Community, and Family Nursing) and specifically in Palliative Care under their responsibility for individuals, families, groups, and communities, utilizing digitalized nursing science and technology across healthcare facilities (hospitals, public health centers, community centers, clinics) in accordance with nursing standards and ethics.

- b. **Profile 2: Communicator**

Capable of applying effective communication with individuals, families, groups, communities, peers, and interprofessional healthcare teams to achieve optimal well-being and health standards for the wider community.

- c. **Profile 3: Health Educator and Promoter**

Capable of implementing health education and promotion to enhance the engagement of individuals, families, groups, and communities toward self-reliance in healthcare management.

- d. **Profile 4: Manager and Leader**

Capable of applying managerial and organizational principles in delivering professional, holistic, and comprehensive nursing care to assigned individuals, families, groups, and communities in compliance with nursing service standards.

- e. **Profile 5: Researcher**

Capable of driving the development of nursing science toward innovative, creative, and competitive nursepreneurship aligned with Society 5.0, thereby generating a positive societal impact globally.

- f. **Profile 6: Reflective Educator**

Capable of continuous self-reflection to foster lifelong professional development across cognitive, affective, and psychomotor domains to deliver current nursing care infused with care, commitment, and enthusiasm.

PROGRAM LEARNING OUTCOMES (PLO)

Program Learning Outcomes for the Bachelor of Nursing Program

- a. **PLO 1:** Capable of explaining theoretical foundational and supporting sciences that underpin professional nursing practice.
- b. **PLO 2:** Capable of delivering professional, holistic, and comprehensive nursing care that positively impacts individuals, families, groups, and communities in general fields (Medical-Surgical, Pediatric, Maternity, Emergency & Critical Care, Psychiatric, Management, Gerontological, Community, and Family Nursing) and specifically in Palliative Care through critical, logical, systematic, and culturally sensitive thinking aligned with nursing standards and ethics.
- c. **PLO 3:** Capable of executing communication, education, and health promotion strategies to promote self-reliance and participation among individuals, families, groups, and communities in healthcare.

d. CPL 4

Mampu melakukan pengelolaan dan pengorganisasian asuhan keperawatan profesional, holistik dan komprehensif bagi individu, keluarga, kelompok dan masyarakat dengan berkolaborasi bersama tim kesehatan sesuai standar pelayanan keperawatan.

e. CPL 5

Mampu melakukan riset melalui pendekatan *evidence-based nursing* yang mengarah pada *nursepreneurship society 5.0*.

f. CPL 6

Mampu melakukan refleksi secara kritis dalam rangka pengembangan diri yang berkesinambungan meliputi aspek kognitif, afektif, dan psikomotor untuk melaksanakan asuhan keperawatan profesional, holistik dan komprehensif.

Capaian Pembelajaran Lulusan (CPL) Prodi Pendidikan Profesi Ners Jenjang Program Profesi

a. CPL 1

Mampu mengelola asuhan keperawatan profesional, holistik dan komprehensif yang berdampak positif bagi individu, keluarga, kelompok, masyarakat secara umum di bidang keperawatan medikal, bedah, anak, maternitas, gawat darurat & kritis, jiwa, manajemen, gerontik, komunitas, keluarga dan khususnya pada keperawatan paliatif sesuai standar dan kode etik keperawatan dengan berpikir kritis, logis, sistematis dan peka budaya.

b. CPL 2

Mampu menerapkan komunikasi, edukasi dan promosi kesehatan sebagai upaya meningkatkan kemandirian dan keterlibatan individu, keluarga, kelompok dan masyarakat dalam perawatan kesehatan.

c. CPL 3

Mampu menerapkan pengelolaan dan pengorganisasian asuhan keperawatan profesional, holistik dan komprehensif bagi individu, keluarga, kelompok dan masyarakat dengan berkolaborasi bersama tim kesehatan sesuai standar pelayanan keperawatan.

d. CPL 4

Mampu mengaplikasikan riset melalui pendekatan *evidence-based nursing* yang mengarah pada *nursepreneurship society 5.0*.

e. CPL 5

Mampu menerapkan refleksi secara kritis dalam rangka pengembangan diri yang berkesinambungan meliputi aspek kognitif, afektif, dan psikomotor untuk melaksanakan asuhan keperawatan profesional, holistik dan komprehensif.

SARANA PENUNJANG PENDIDIKAN

Laboratorium Keperawatan:

- Laboratorium Keperawatan Biomedik Dasar
- Laboratorium Keperawatan Dasar
- Laboratorium Keperawatan Medikal dan Bedah
- Laboratorium Keperawatan Maternitas
- Laboratorium Keperawatan Anak
- Laboratorium Keperawatan Jiwa dan Paliatif
- Laboratorium Keperawatan Gawat Darurat
- Laboratorium Keperawatan Intensif
- Laboratorium Keperawatan Komunitas, Keluarga, dan Gerontik

Fasilitas yang tersedia:

- Ruang kuliah dan ruang diskusi/ PBL
- Ruang pertemuan theater
- Ruang podcast
- Ruang perpustakaan
- Area parkir, AC, jaringan internet (wifi)
- Ruang organisasi kemahasiswaan (ormawa)
- Multipurpose room
- Kantin

- d. **PLO 4:** Capable of managing and organizing professional, holistic, and comprehensive nursing care in collaboration with interprofessional health teams according to nursing care standards.
- e. **PLO 5:** Capable of conducting research utilizing evidence-based nursing approaches oriented toward Society 5.0 nursepreneurship.
- f. **PLO 6:** Capable of critical reflection for continuous self-development across cognitive, affective, and psychomotor domains to deliver professional, holistic, and comprehensive nursing care.

Program Learning Outcomes for the Professional Nursing Education Program

- a. **PLO 1:** Capable of managing professional, holistic, and comprehensive nursing care that positively impacts individuals, families, groups, and communities across general nursing areas and specifically in Palliative Care through critical, logical, systematic, and culturally sensitive thinking aligned with nursing standards and ethics.
- b. **PLO 2:** Capable of applying communication, education, and health promotion strategies to foster independence and active participation in healthcare among individuals, families, groups, and communities.
- c. **PLO 3:** Capable of applying management and organizational skills in delivering professional, holistic, and comprehensive nursing care in collaboration with interprofessional health teams according to nursing service standards.
- d. **PLO 4:** Capable of applying research through evidence-based nursing approaches oriented toward Society 5.0 nursepreneurship.
- e. **PLO 5:** Capable of applying critical reflection for continuous self-development across cognitive, affective, and psychomotor domains to deliver professional, holistic, and comprehensive nursing care.

EDUCATIONAL SUPPORT FACILITIES

Nursing Laboratories:

- Basic Biomedical Nursing Laboratory
- Fundamental Nursing Laboratory
- Medical-Surgical Nursing Laboratory
- Maternity Nursing Laboratory
- Pediatric Nursing Laboratory
- Psychiatric and Palliative Nursing Laboratory
- Emergency Nursing Laboratory
- Intensive Care Nursing Laboratory
- Community, Family, and Gerontological Nursing Laboratory

Available Facilities:

- Lecture rooms and Discussion/PBL rooms
- Auditorium/Theater room
- Podcast room
- Library room
- Parking area, air conditioning (AC), and Wi-Fi network
- Student organization rooms
- Multipurpose room
- Cafeteria

LAHAN PRAKTIK

- Rumah Sakit Pusat Angkatan Laut (RSPAL) Dr. Ramelan Surabaya
- Rumah Sakit Adi Husada Undaan Wetan Surabaya
- Rumah Sakit Adi Husada Kapasari Surabaya
- Rumah Sakit Royal Surabaya
- Rumah Sakit Menur Surabaya
- Rumah Sakit Gotong Royong Surabaya
- Puskesmas
- Rumah Usiawan Panti Surya Surabaya
-

HUBUNGAN KERJA SAMA

- Kerjasama Internasional Saint Louis College Bangkok Thailand
- Kerjasama Kelembagaan
- Persatuan Perawat Nasional Indonesia (PPNI) Pusat, Jawa Timur dan Kota Surabaya
- Asosiasi Institusi Pendidikan Ners Indonesia (AIPNI)
- Dinas Kesehatan Provinsi Jawa Timur
- Dinas Kesehatan Kota Surabaya
- Akademi Akupunktur Surabaya

TEMPAT KERJA BAGI LULUSAN SARJANA KEPERAWATAN NERS

Dengan kompetensi yang dimiliki seorang lulusan Sarjana Keperawatan Ners (S.Kep.,Ns), dapat memasuki lapangan kerja sebagai berikut:

- Rumah Sakit
- Klinik/ Poliklinik Umum
- Dinas Kesehatan
- Puskesmas
- Lembaga Pendidikan
- Lembaga Penelitian
- Panti Werdha
- Praktik Keperawatan Mandiri (dengan memenuhi persyaratan tertentu)
- Bekerja dalam bidang kesehatan di luar negeri (dengan memenuhi persyaratan tertentu)

ALUMNI

Para Lulusan Fakultas Keperawatan Universitas Katolik Widya Mandala Surabaya terserap di berbagai institusi antara lain:

- Mitatenomori Yokohama, Japan
- National Hospital Surabaya
- Eka Tjipta Hospital Jakarta
- SoS International Jakarta
- RS. Awal Bros Palangkaraya
- RSPAL Dr. Ramelan Surabaya
- Singapore National Academy
- RS. Mitra Keluarga Waru dan Kenjeran
- RS. Royal Surabaya
- Rumah Sakit Umum Umu Rara Meha Waingapu
- RS. Premier Surabaya
- RS. Pertamina Balikpapan
- RSK. St. Vincentius a Paulo Surabaya
- RS. Siloam Surabaya, Kupang dan Jakarta
- RS WirasaktiKupang
- RS Ubaya Surabaya
- RS Mitra Masyarakat Timika
- NGO Maluk Timor, Program HIV/ AIDS
- Bali Royal Hospital

CLINICAL & FIELD PRACTICE SITES

- Dr. Ramelan Naval Central Hospital (RSPAL), Surabaya
- Adi Husada UndaanWetan Hospital, Surabaya
- Adi Husada Kapasari Hospital, Surabaya
- Royal Hospital, Surabaya
- Menur Hospital, Surabaya
- Gotong Royong Hospital, Surabaya
- Community Health Centers (*Puskesmas*)
- Panti Surya Nursing Home, Surabaya

COLLABORATIVE PARTNERSHIPS

- International Partnership with Saint Louis College, Bangkok, Thailand
- Institutional Partnerships
- Central, East Java, and Surabaya City Branches of the Indonesian National Nurses Association (PPNI)
- Association of Indonesian Nurse Education Units (AIPNI)
- East Java Provincial Health Office
- Surabaya City Health Office
- Surabaya Acupuncture Academy

CAREER OPPORTUNITIES FOR GRADUATES

Equipped with their professional competencies, graduates holding a Bachelor of Nursing, Registered Nurse degree (*S.Kep., Ns.*) can pursue career paths in:

- Hospitals
- General Clinics/Polyclinics
- Health Offices / Departments
- Community Health Centers (*Puskesmas*)
- Educational Institutions
- Research Institutions
- Elderly Care Homes / Geriatric Facilities
- Independent Nursing Practice (subject to specific regulatory requirements)
- Healthcare careers abroad (subject to specific regulatory requirements)

ALUMNI

Graduates of the Faculty of Nursing, Widya Mandala Catholic University Surabaya, are employed across various institutions, including:

- Mitatenomori Yokohama, Japan
- National Hospital Surabaya
- Eka Tjipta Hospital Jakarta
- International SOS Jakarta
- Awal Bros Hospital Palangkaraya
- Dr. Ramelan Naval Central Hospital (RSPAL) Surabaya
- Singapore National Academy
- Mitra Keluarga Hospital (Waru & Kenjeran)
- Royal Hospital Surabaya
- Umu Rara Meha Regional Public Hospital, Waingapu
- Premier Hospital Surabaya
- Pertamina Hospital Balikpapan
- St. Vincentius a Paulo Hospital (RKZ) Surabaya
- Siloam Hospitals (Surabaya, Kupang, and Jakarta)
- Wirasakti Hospital Kupang
- Ubaya Hospital Surabaya
- Mitra Masyarakat Hospital Timika
- Maluku Timor NGO (HIV/AIDS Program)
- Bali Royal Hospital

- RSUD Buntok Kalimantan Tengah
- RS St. Carolus Borromeus Kupang
- STIKES Nusantara Kupang
- RSU Samarinda Medika Citra, Kalimantan
- Rumah Sakit Umum Daerah Reda Bolo Kab. Sumba Barat Daya
- RS. William Booth Surabaya
- RS. Panti Waluya Sawahan Malang
- Rumah Sakit Husada Utama Surabaya
- International Organization for Migration
- RS. Surya Husadha Nusa Dua Bali
- RSUD Tarakan Jakarta
- RS. Gotong Royong Surabaya
- Mayapada hospital Surabaya
- RS. Adi Husada Kapasari Surabaya
- Rumah Sakit Jiwa Naimata NTT
- RSUD HAJI PROVINSI JAWA TIMUR
- Universitas Nusa Nipa Maumere
- Primaya Hospital BetangPambelum
- RS Jantung pembuluh darah harapan kita Jakarta
- RS. St. Gabriel Kewapante
- Dinas Kesehatan Kab. Sumba Barat, NTT

- Buntok Regional Public Hospital, Central Kalimantan
- St. Carolus Borromeus Hospital Kupang
- STIKES Nusantara Kupang
- Samarinda Medika Citra Public Hospital, Kalimantan
- Reda Bolo Regional Public Hospital, Southwest Sumba Regency
- William Booth Hospital Surabaya
- Panti Waluya Sawahan Hospital Malang
- Husada Utama Hospital Surabaya
- International Organization for Migration (IOM)
- Surya Husadha Hospital Nusa Dua Bali
- Tarakan Regional Public Hospital Jakarta
- Gotong Royong Hospital Surabaya
- Mayapada Hospital Surabaya
- Adi Husada Kapasari Hospital Surabaya
- Naimata Psychiatric Hospital, East Nusa Tenggara (NTT)
- HAJI PUBLIC HOSPITAL OF EAST JAVA PROVINCE
- Nusa Nipa University Maumere
- Primaya Hospital BetangPambelum
- Harapan Kita National Cardiovascular Center Jakarta
- St. Gabriel Hospital Kewapante
- Health Office of West Sumba Regency, East Nusa Tenggara (NTT)
