Lanny Hartanti

UKWMS
a life-improving university

**DIKTISAINTEK
BERDAMPAK**

A campus where everyone is valued, accepted, and empowered.

Equitable Education

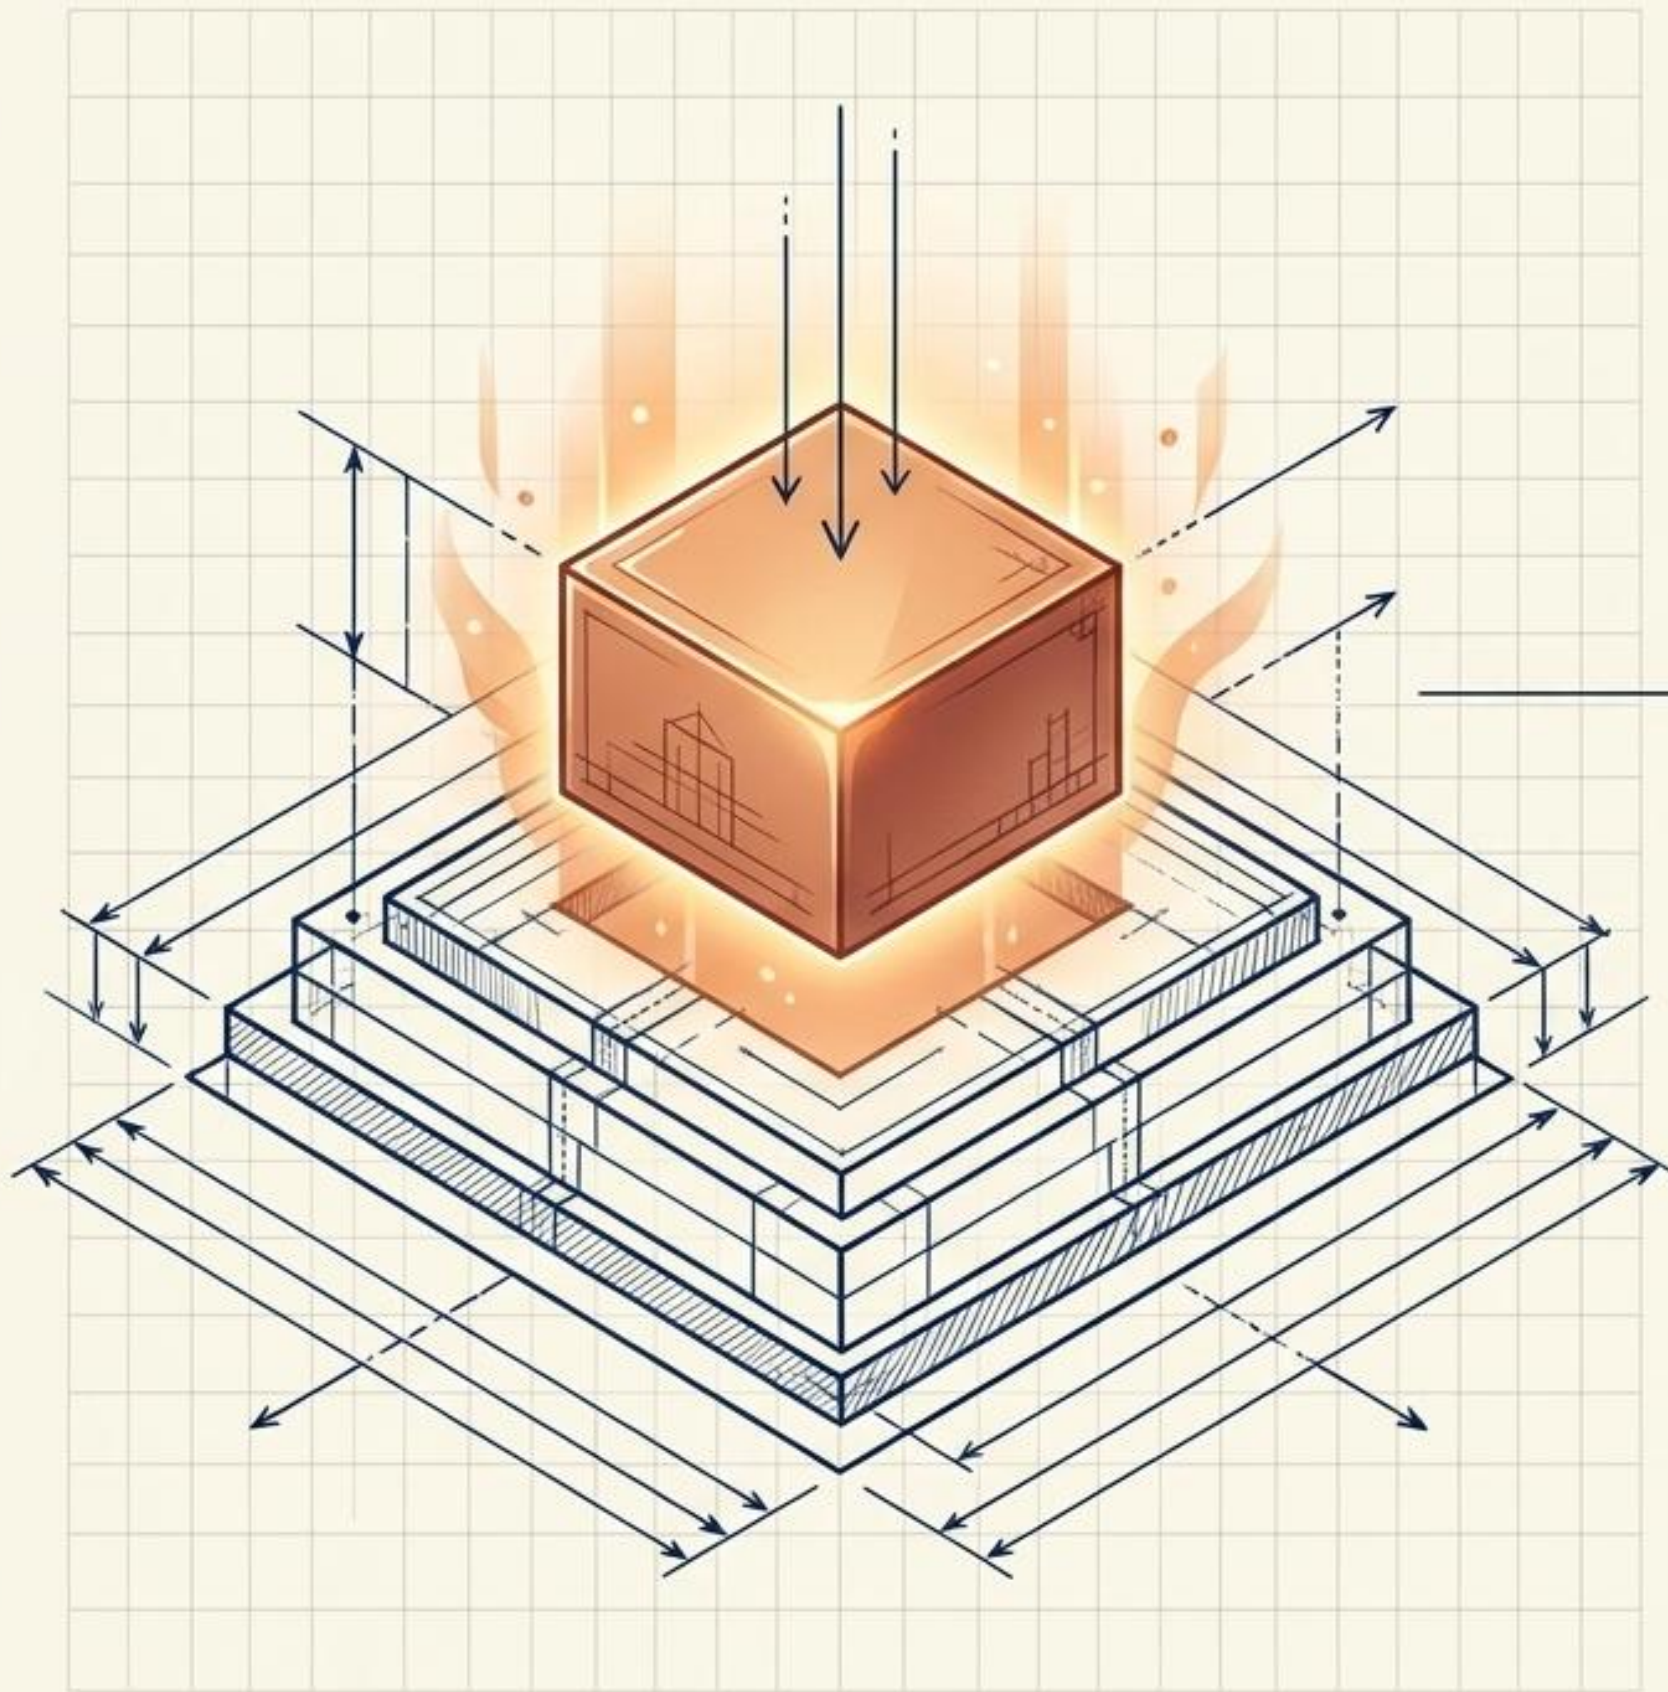

Guaranteeing the right
to access high-quality,
equitable higher
education for
for students with
disabilities.

Human Dignity

Developing personal
potential and building
a culture of
deep empathy
across UKWMS.

Laying the foundation for inclusive education.

**Official Establishment of the
Unit Layanan Disabilitas (ULD)**

Surat Keputusan Yayasan Widya Mandala
Surabaya Nomor 128A/YWMS/SK/VI/2024

Equivalent to a University Center

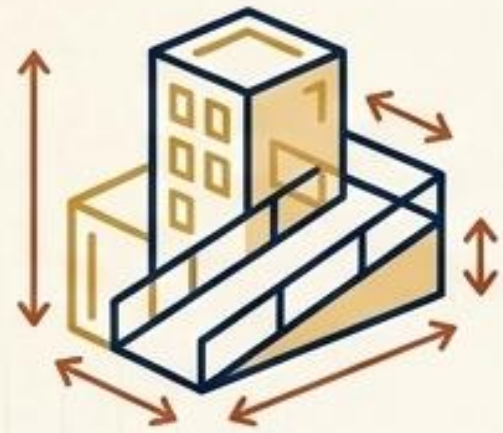

Operating at the highest institutional level to plan,
coordinate, and supervise inclusive education.

The central coordinator for university-wide reasonable accommodations.

The ULD does not operate in isolation. It actively bridges gaps, coordinating the exact provisions required to create a disability-friendly educational environment across every single department at UKWMS.

A comprehensive framework of physical, digital, human, and institutional support.

Physical Infrastructure

Ensuring physical accessibility and disability-friendly environments across campus.

Digital & Tech

Securing seamless information access and providing necessary assistive technologies.

Human Support

Deploying companions (*tenaga pendamping*) and dedicated counseling services.

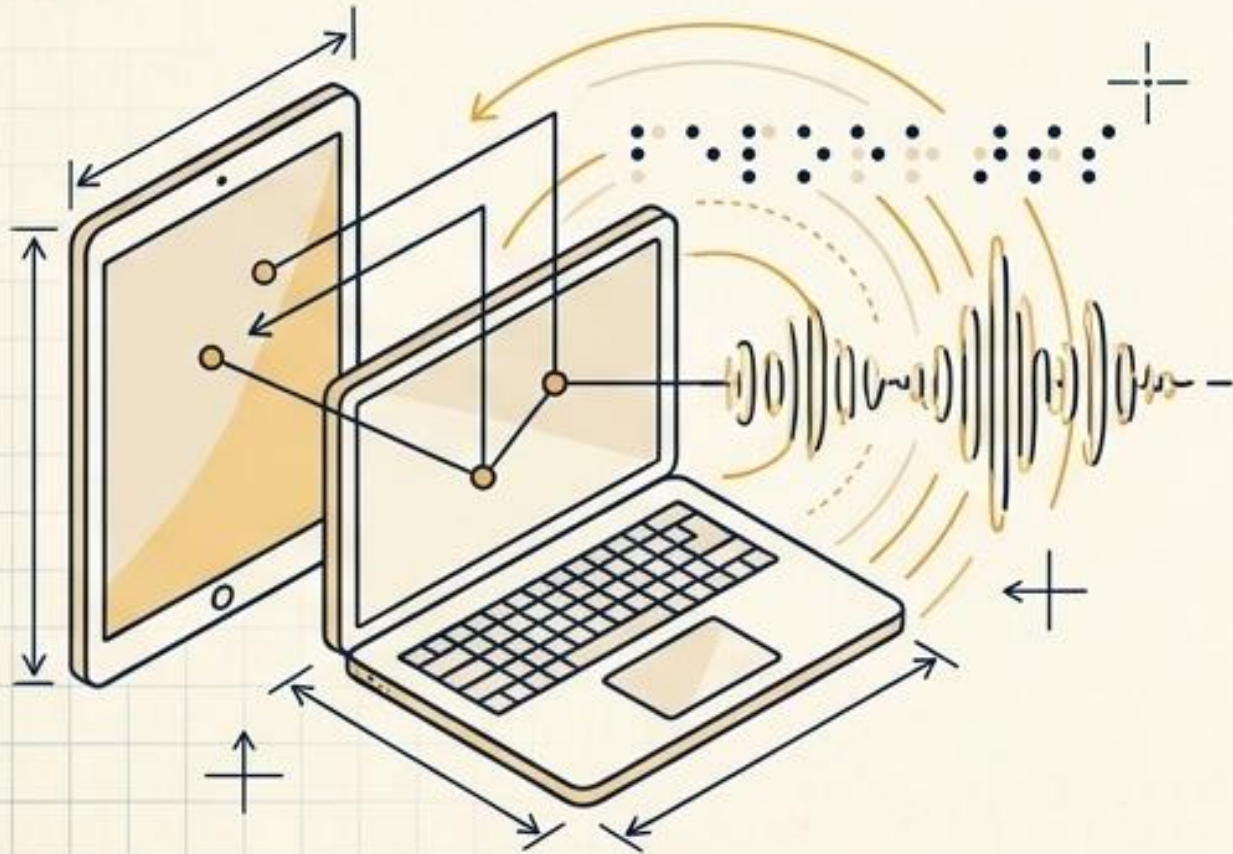

Institutional Aid

Facilitating financial assistance (*bantuan pembiayaan*) for qualifying students.

Bridging the gap between technological access and emotional wellbeing.

Assistive Technology

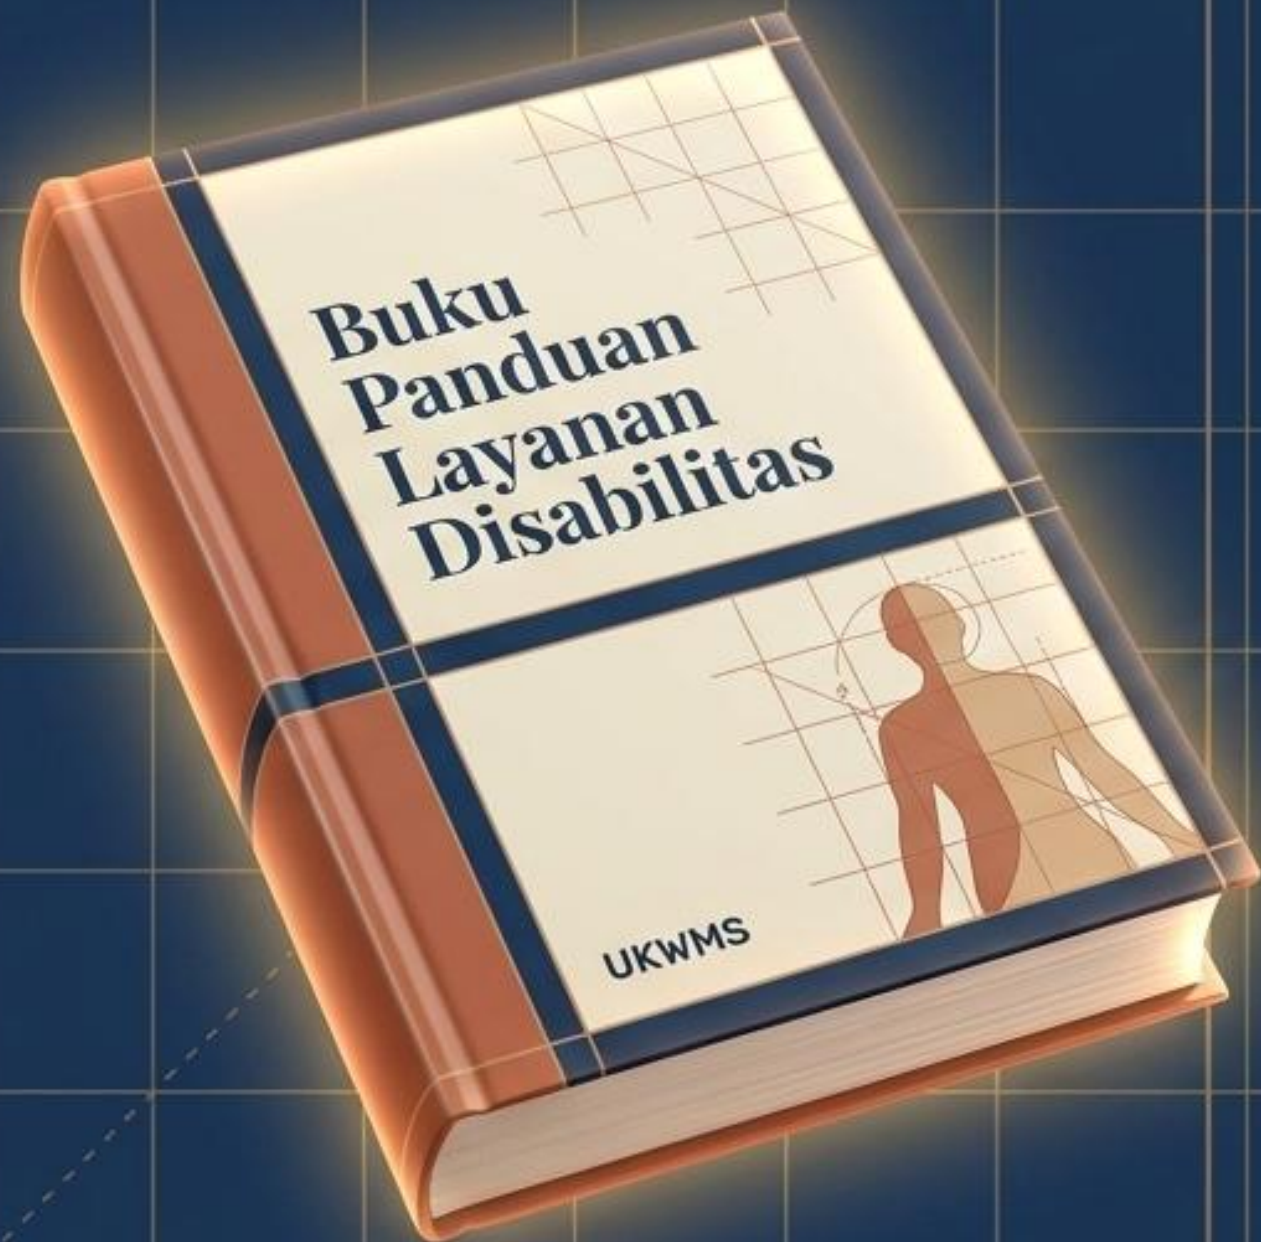

The definitive tool to level the academic playing field, translating complex course materials into accessible formats tailored to diverse learning needs.

Counseling Services & Companions

The vital human element, ensuring students are supported emotionally and can navigate academic and social campus life with unwavering confidence.

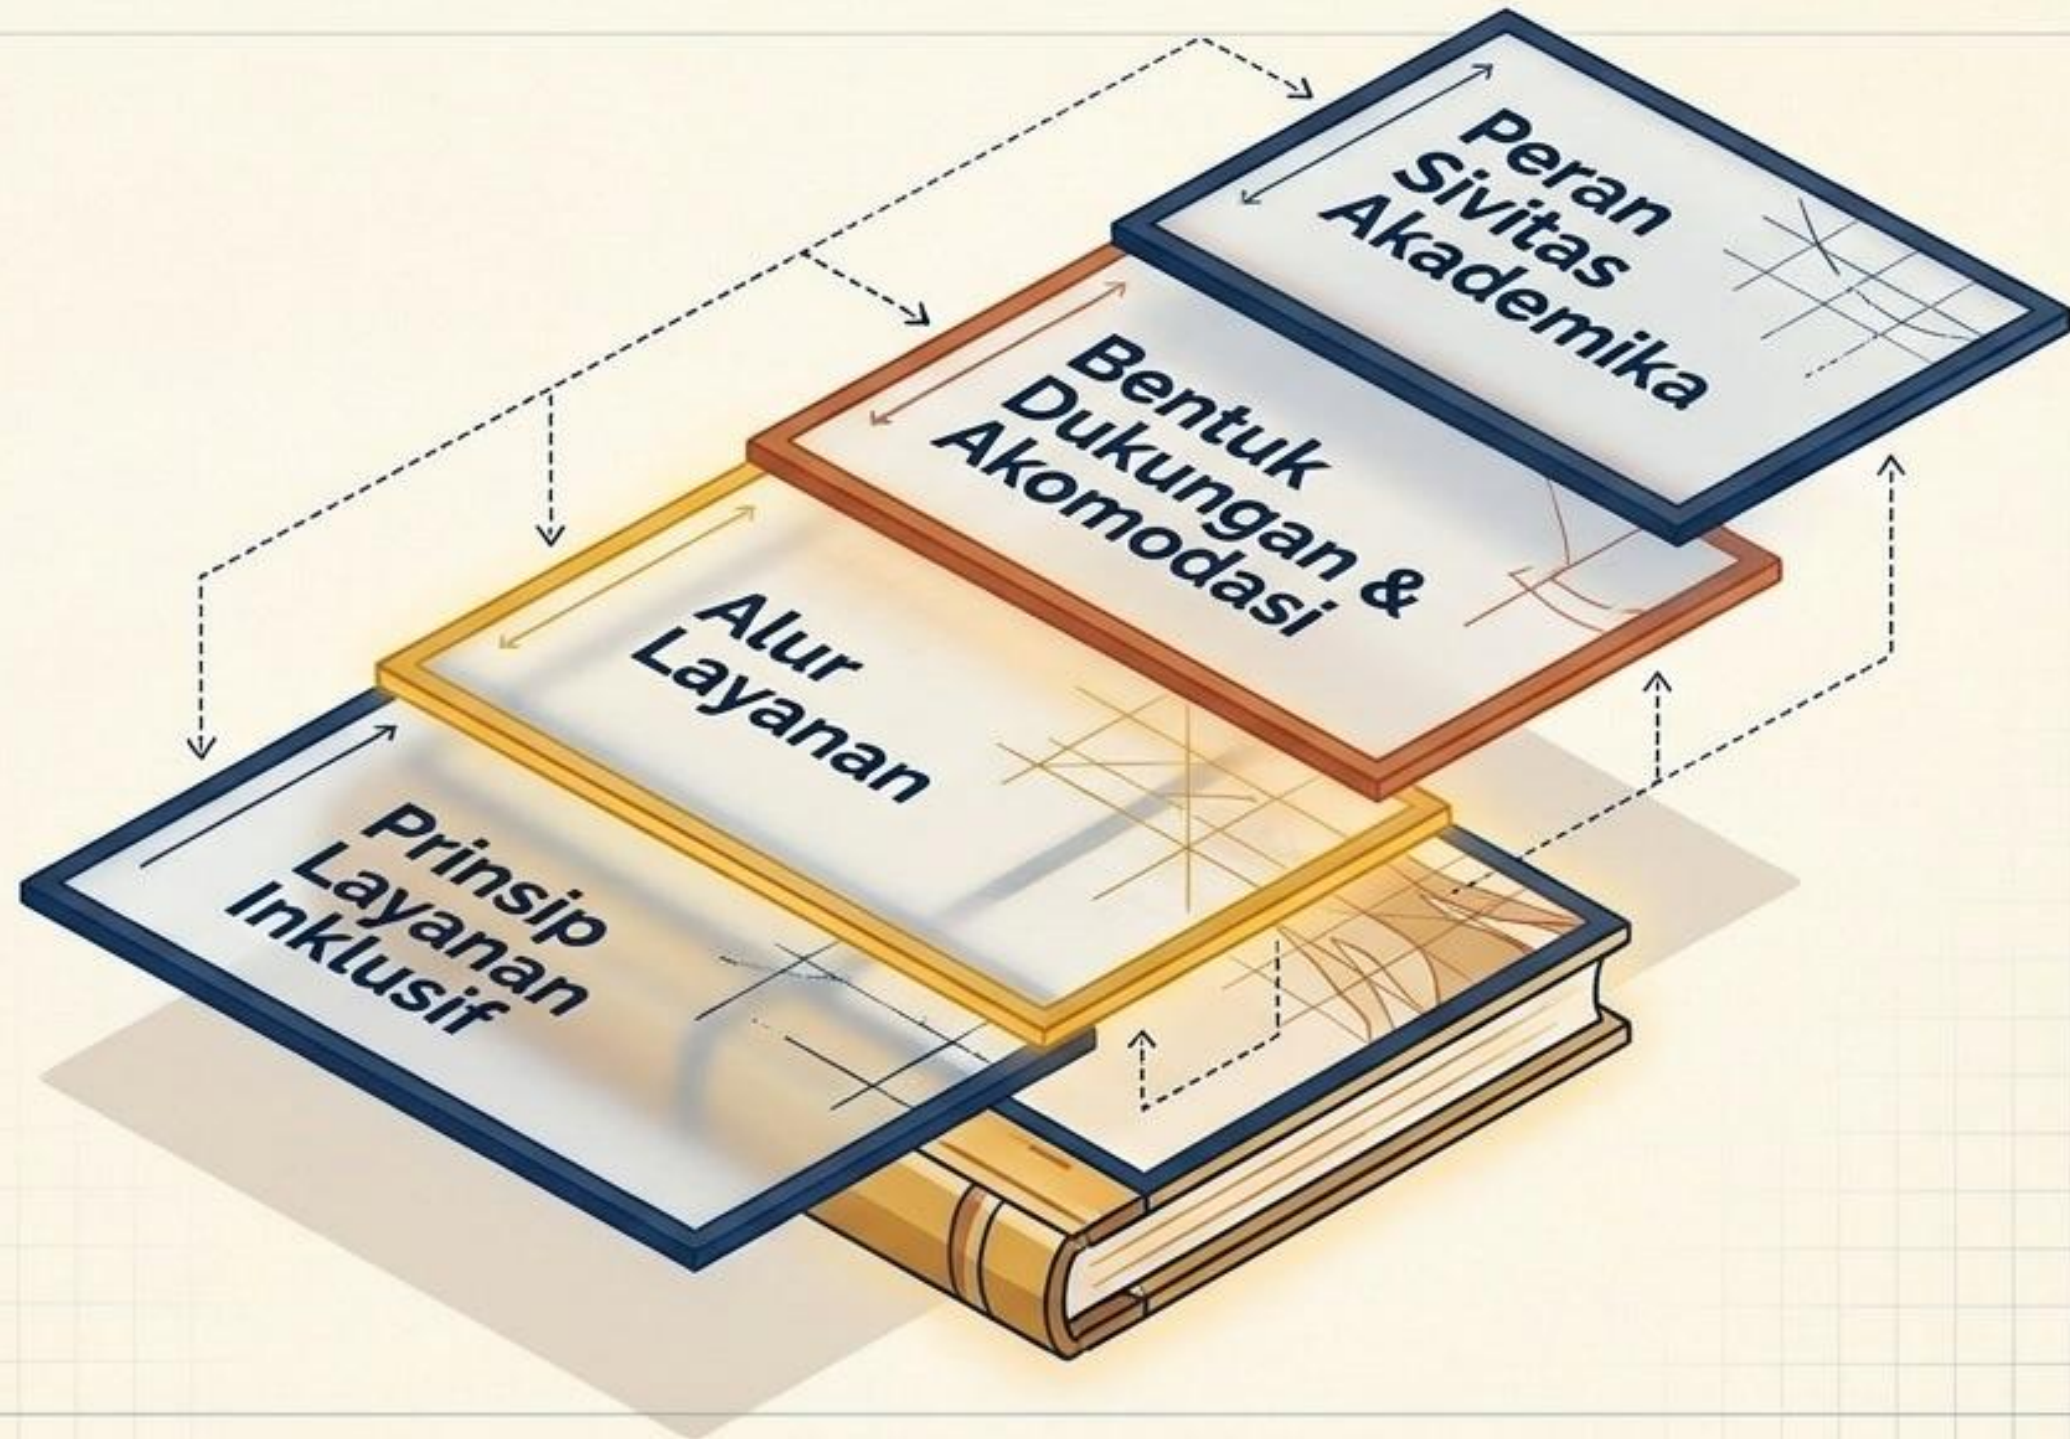

Introducing the master plan for inclusive learning.

Announcing the newly drafted Buku Panduan Layanan Disabilitas UKWMS. More than just a rulebook, this is our shared reference to strengthen the inclusive campus culture and build mutual understanding across the entire academic community.

Everything required to support our students is inside.

The blueprint requires builders: Become a Relawan Inklusi.

**The ULD provides the framework, but the community builds the culture.
We are actively recruiting RELAWAN INKLUSI (Inclusion Volunteers).**
A call to those with the care and interest to actively support their peers and foster diversity.

Inclusion is a shared responsibility across the entire academic community.

Mahasiswa

Supporting peers in the classroom and championing inclusion in campus life

Dosen

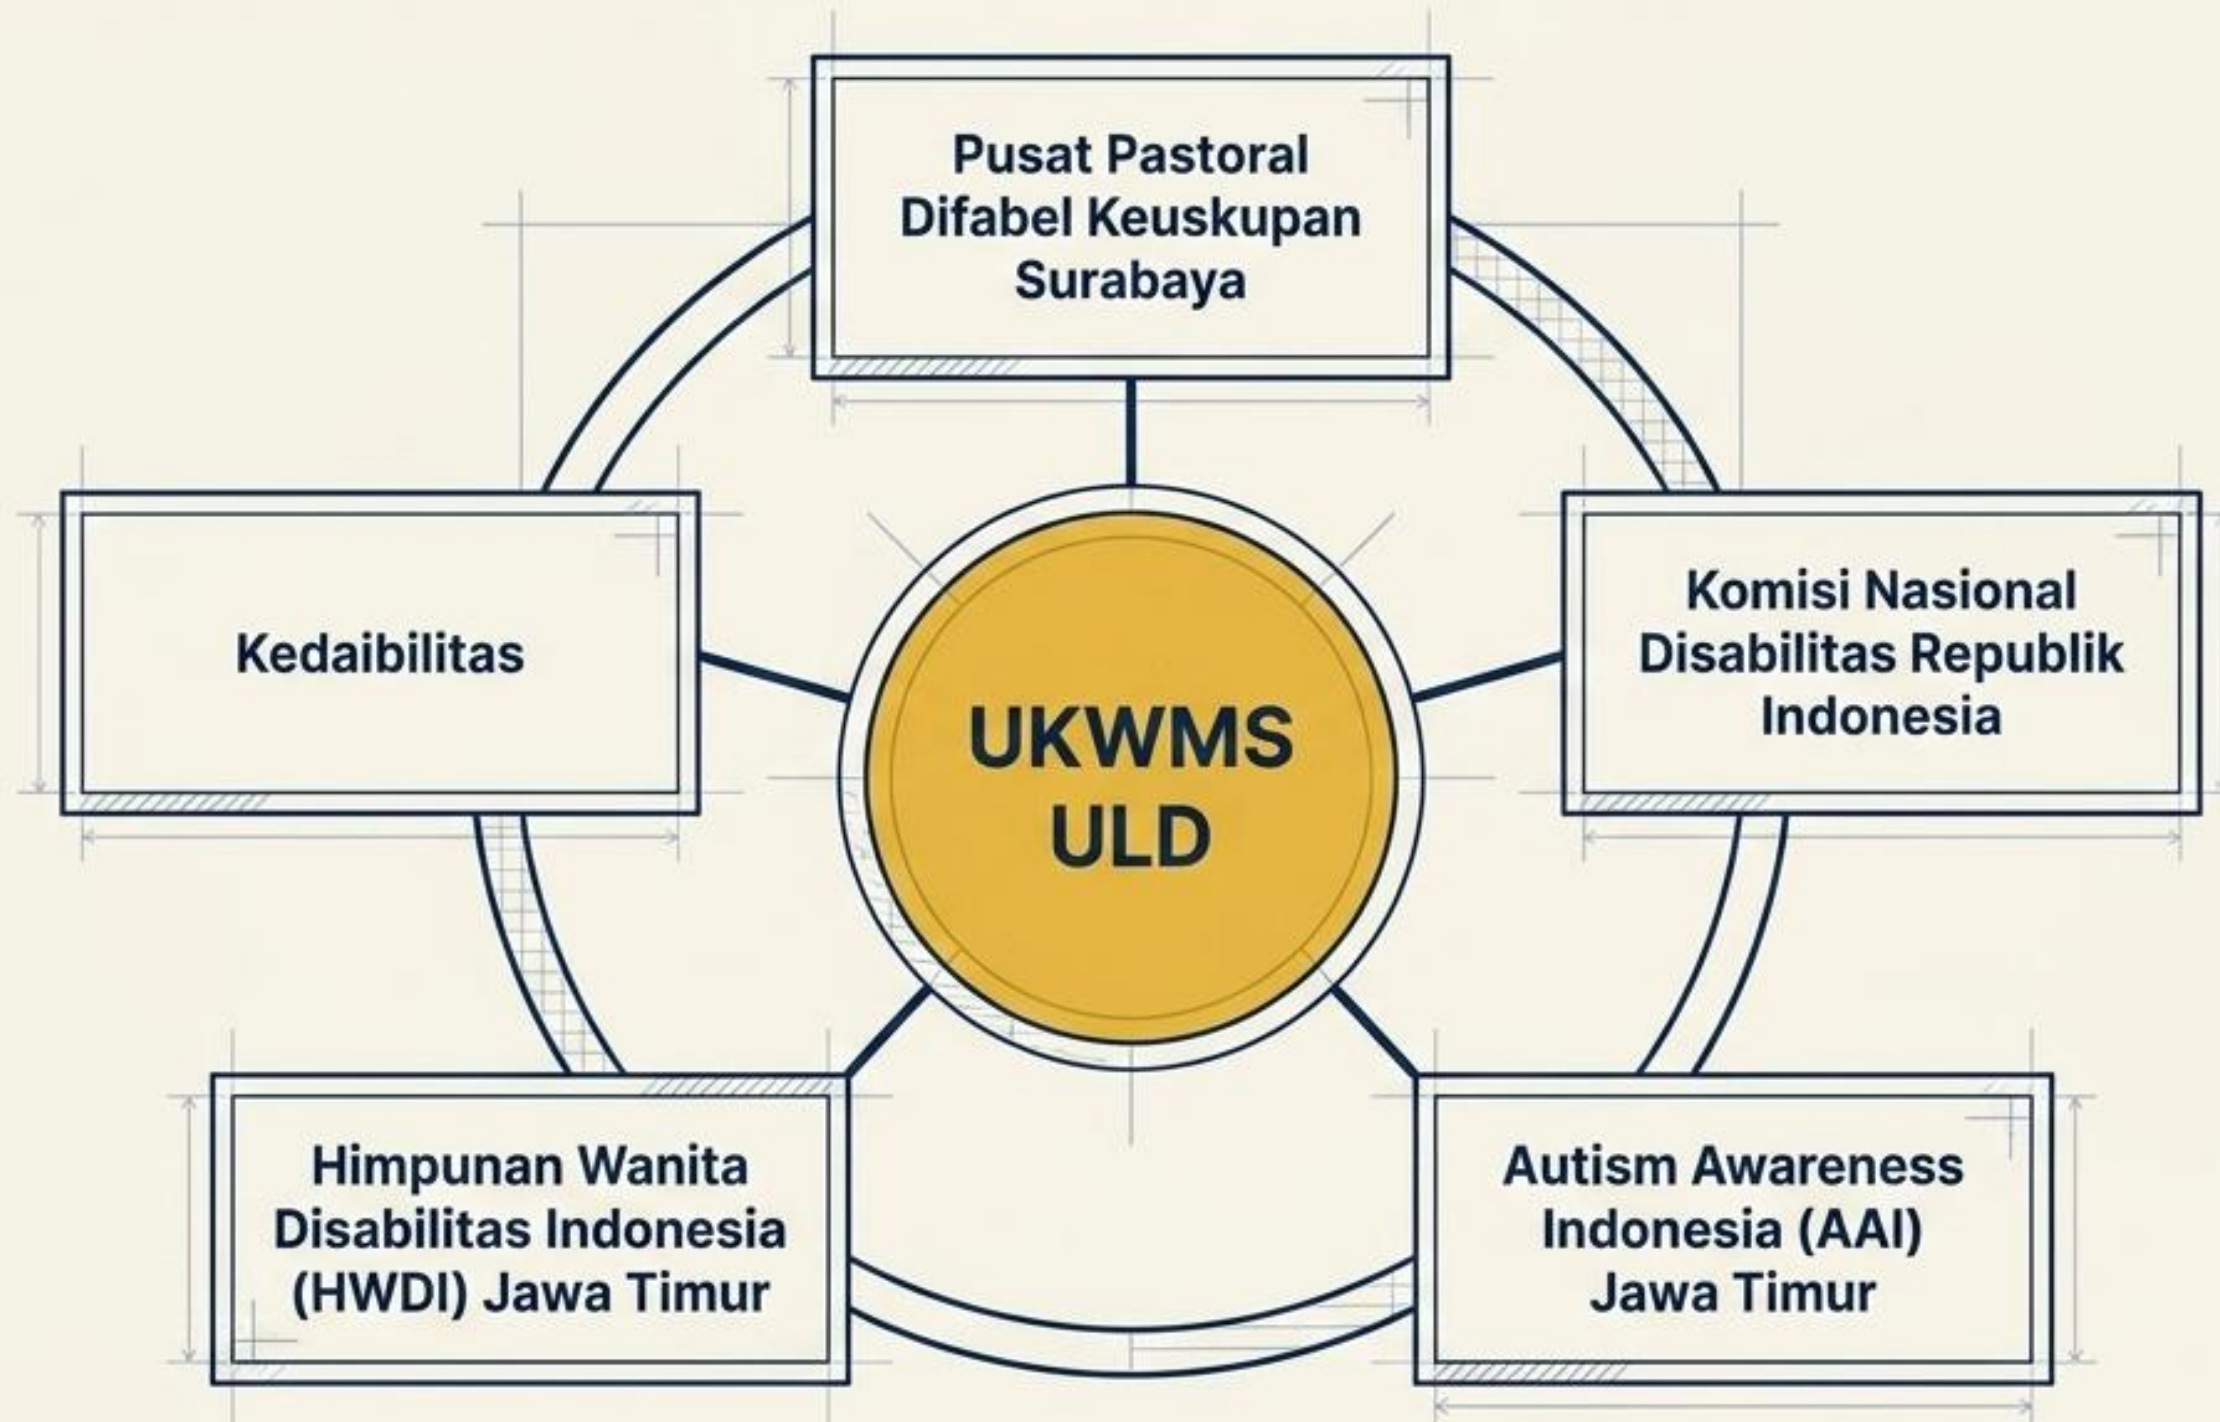

Adapting teaching methodologies and providing equitable academic mentoring

Tenaga Kependidikan

Facilitating seamless administrative and operational access for all

Open to everyone who cares about making UKWMS accessible

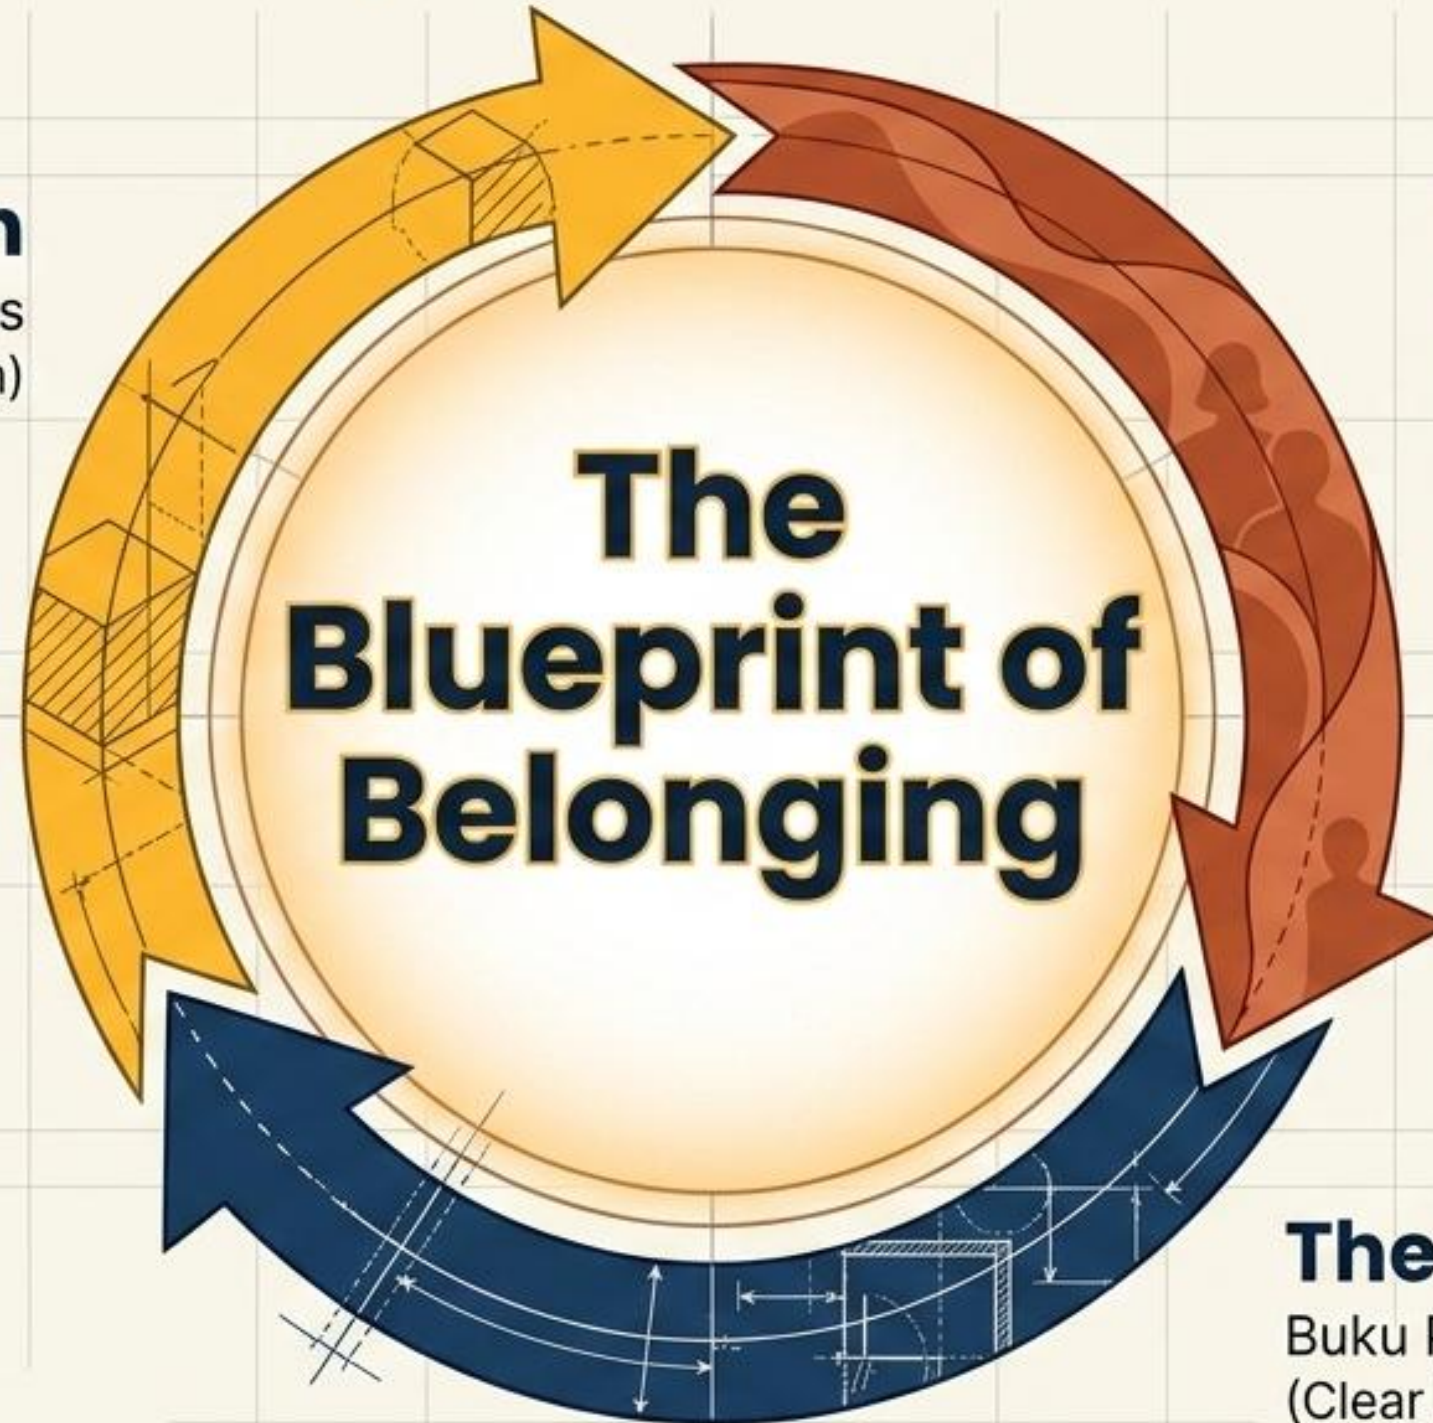

Supported by a powerful network of expert external partners.

An isometric illustration of a university campus. The scene features several multi-story buildings in shades of red, orange, and yellow, with some having blue accents. A central courtyard is filled with diverse students of various ages and ethnicities. Some students are walking, some are sitting on benches, and one student is in a wheelchair. The campus is surrounded by trees with autumn foliage in shades of yellow and orange. A large, semi-transparent white box with a soft shadow is centered over the courtyard, containing the text.
